All items offered or sold in this catalog are subject to the following conditions:

- 1. ¡Salud! The Oregon Pinot Noir Auction (herein "Seller") reserves the right to refuse admission to or attendance at the Friday Big Board Auction & Pinot Party and the Saturday Grand Dinner & Live Auction Gala. Persons must be 21 or older to attend any event.
- 2. The Auctioneer is the agent for the Seller.
- 3. The Catalog, as amended by addenda or oral announcements during the sale and/or Big Board and Silent Auctions, constitutes the entire statement of the Seller with respect to the sale and the purchase of auction lots listed herein. By bidding, the bidder agrees to be bound by these Conditions of Purchase.
- 4. Seller does not warrant or represent, expressly denies responsibility for, and in no event shall be responsible or liable for the accuracy of the description of wines (or other items) offered, or the correctness of the catalog, including, but not limited to: the origin, rarity, age, genuineness, quantity, aging potential, present and future quality or condition. All statements by Seller are merely statements of opinion and are not to be relied upon by prospective purchasers as warranties or representations of fact. Prospective bidders, by so bidding, acknowledge that they have inspected the wines to their satisfaction and bid only as a result of their own inspection and option. All wine is sold on strictly an "AS IS" basis.

Out-of-state bidders are responsible for compliance with the laws of the destination locality.

BIDDING

- 1. All bids for Big Board Auction wines are per case, and other bids on special live auction items are per lot as announced by the auctioneer, listed in the catalog, displayed at the event or amended in the addendum, unless otherwise announced. Seller may divide or combine any lot or lots at its sole discretion.
- 2. A suggested minimum bid price has been established on all lots. Seller reserves the right to bid on his behalf up to and including the minimum bid price.
- 3. Seller shall have the right to reject any bid at any time prior to the close of any auction (or fall of the hammer in a live auction). Bids will only be accepted from registered bidders. Seller may, at any time prior to the close of any auction (or fall of the hammer in a live auction), withdraw the lot from sale.
- 4. No live auction bid shall be valid unless acknowledged by the auctioneer.
- 5. Should a dispute arise between bidders in the Big Board, Silent or Live auctions, or should Seller doubt the validity of any bid, Seller shall have the absolute right to resolve the dispute, reoffer, re-sell or withdraw the lot in question.

MEDIA COVERAGE

As a condition of and in consideration for participation in the auction, participant releases the Hillsboro Medical Center Foundation and ¡Salud! The Oregon Pinot Noir Auction from any liability connected with the reproduction, adaptation, display, publication and distribution, in any and all media, whether now known or yet to be developed, of any videos, photographs or other images taken at the Auction or any related events, participant's name, voice, likeness, city of residence, and any other information regarding his/her participation in the Auction.

Our kitchen on wheels is ready for any Walla Walla or Dundee event.

Secret wine room. Full service custom catering. Buffet style or plated fine dining.

It's the Willamette Valley way... We take care of each other.

Bonded by this core community value, winemakers and physicians worked together to create ¡Salud! in 1991 to do better for vineyard stewards and their families.

More than 30 years later, ¡Salud! is a collaborative approach to healthcare supported by the wine industry, the Hillsboro Medical Center and you, the compassionate, conscious consumer.

Together, we can call out the gaps in the system and create solutions so that healthcare is a right rather than a luxury for the men and women who tend the vines and their families.

HEALTHCARE HURDLES

Why is it more challenging to get the care you need as a vineyard steward?

SHORT-TERM EMPLOYMENT

Working in agriculture means following the rhythms of nature. Work isn't always consistent or in one place. Short-term employment often does not provide health insurance coverage.

UNDERINSURED

For the 20% who are insured, coverage is often limited and comes with a high deductible. Most can only afford the premiums to cover themselves, leaving their family uninsured.

TIGHT FAMILY BUDGET

Agricultural work is paid hourly, and missing work to prioritize healthcare means a smaller paycheck, putting big pressure on the family budget. Many will live and work with health issues rather than seek help.

LANGUAGE

Trying to make appointments, advocate for yourself, ask questions and navigate the healthcare system in a second (or third) language is daunting and challenging.

ISOLATION

Affordable housing is scarce, and many are living further away from job sites and healthcare resources. Many do not have access to a car and public transportation is limited in rural areas.

iSALUD!'S MISSION

Funded entirely by donors like you, ¡Salud! strives to break down barriers to healthcare for vineyard stewards and their families.

Your support makes it possible for men and women to prioritize their health today, preventing major challenges that will impact them and their families in the future.

MOBILE HEALTH WELLNESS CLINICS

- ¡Salud! brings no-cost preventative healthcare to the vineyards. Clinics are how we establish care and help assess what other resources are needed.
- Healthcare from head to toe, we offer vision and dental clinics too.
- Staffed with bilingual, bicultural team members and providers.

Incredible Wines, Important Purpose.

KNOCKING DOWN MEDICAL DEBT

The fear of medical debt prevents many vineyard stewards from seeking care. ¡Salud! connects clients to affordable care from the start, equips clients to utilize any insurance coverage and navigates through the complicated financial assistance application process for those with major medical expense.

\$1.3M+

Medical debt reduced or eliminated with ¡Salud! since 2013 by negotiating, advocating and providing "grants for care".

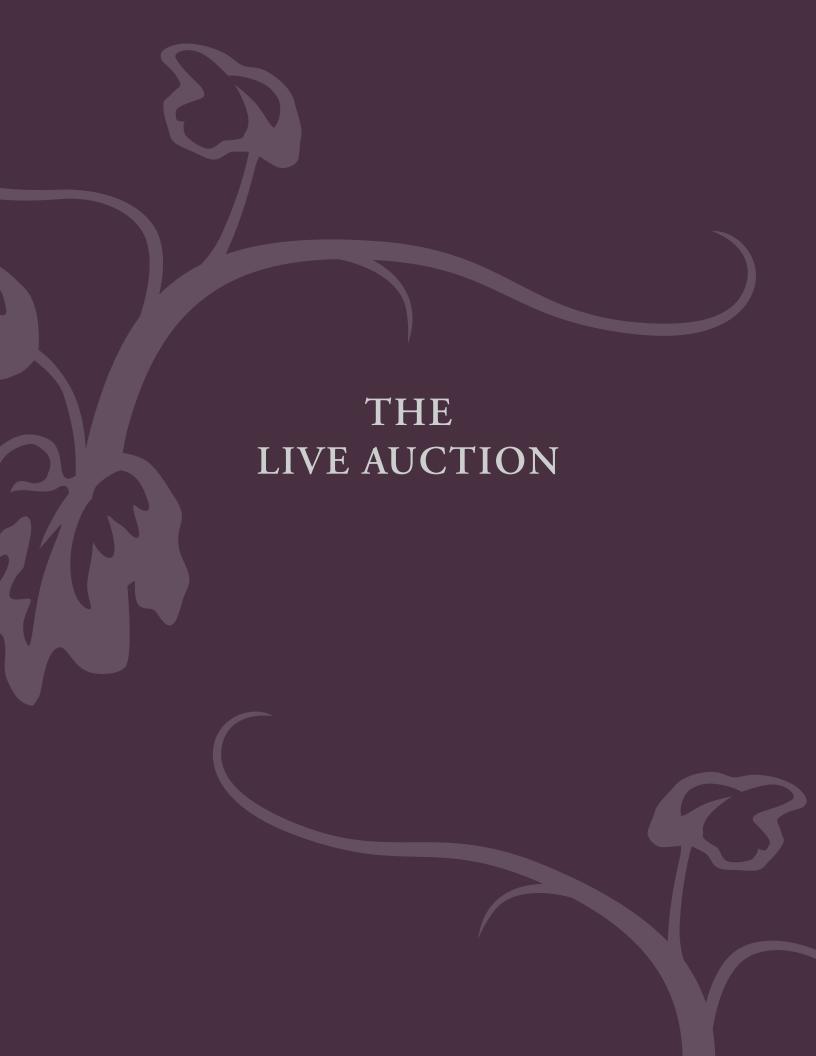

WE HAVE CONNECTIONS. MORE THAN JUST HEALTHCARE.

Food insecurity, affordable housing, childcare resources and legal support connections.

Health is so much more than what's happening in your body, your sense of well-being is connected to all of these things. ¡Salud! is knowledgeable about resources throughout the Willamette Valley and makes frequent referrals.

FEATURED STORY – EFREN LOEZA, VINEYARD MANAGER, WILLAMETTE VALLEY VINEYARDS

Efren Loeza began at Tualatin Estate Vineyard in 1979 at the age of 17 and has worked in the vineyard ever since.

Efren came to Oregon from Michoacán, Mexico with his father, uncle and three friends when he was 16. He worked on a strawberry farm during the day, an onion warehouse at night and worked seasonally with blueberries and cucumbers, too. They all lived in the same cabin on the farm and at night they entertained themselves by listening to the radio and playing cards or dominoes. On Friday nights the cabins would all get together and have potlucks.

Efren has always been curious. He always wanted to know why, he wasn't afraid to ask questions, and the hunger for knowledge is what caught the attention of David Foster and Bill Fuller, who hired Efren to work in the vineyard and eventually in wine production as well.

For 10 years while Efren grew in his career, he didn't visit a doctor. Without insurance, he knew he would not be able to afford care, so he and his family lived without.

But in 1992, Efren was connected with ¡Salud! and it was like someone opened a door. Finally, he was able to invest in his health to ensure he could continue his passion for viticulture long into his career. He knew that taking care of his body was vital, just like taking care of the vines from the beginning was critical.

In 2000, Efren became the vineyard manager of Willamette Valley Vineyards. Still connected to the land and the vineyards, his role shifted to taking care of a team and his people. Efren became an advocate for ¡Salud!, connecting those just starting out to its vital services and caring for the next generation of vineyard steward leaders.

Join Efren this evening as together we seek to strengthen ¡Salud! ensuring accessible, affordable care is possible for all. Caring for our people today and creating a healthy future tomorrow.

Evening Land Vineyards 2013 La Source Chardonnay 1.5L

This package includes:

• 2013 Evening Land Vineyards La Source Chardonnay 1.5L

La Source Chardonnay comes from Evening Land Vineyards old Dijon clone plantings, planted in 1984 in iron-rich volcanic soil. The minerality of this wine is testament to the beautiful soils, while its fresh acidity serves as a backbone to its opulent, gorgeous fruit. Evening Land Vineyards were relieved in 2013 to pick all the Chardonnay grapes before the rains in the middle of harvest. The Seven Springs Chardonnays are made in the traditional Burgundian style, with long, gentle pressing of whole clusters and a light settling of the golden juice just before transfer to barrel for spontaneous indigenous fermentation. For La Source, winemakers gave some gentle stirring to the lees during the barrel aging in French oak. Aged in barrels for 11 months with 25% new oak, then further aged in tank for another five months, on lees, before bottling.

Package notes: Magnum to be shipped to the winning bidder.

We taste constantly, obsess over ingredients and can't help but experiment. In fact, our biggest challenge is knowing when to stop and finally agree a spirit is worthy to bottle. All of our whiskeys are aged and finished in a series of freshly racked wine casks, which creates an exceptional complexity in the final product. And our vodka and gins are crafted and distilled onsite using an ever-growing list of locally sourced and foraged botanicals." Experience the magic of Brixeur Spirits and the new Brixeur Spirits Tasting Cottage with a complimentary tasting experience for six individuals. Fashioned after a speakeasy, this charming space will provide an intimate setting in which to experience a tasting flight of our proprietary vodka, gin, whiskey and specially curated mini-cocktails.

CHEHALEM MOUNTAINS' FIRST WINERY

A toast to legacy

Adelsheim Vineyard was founded with an optimistic spirit and a lofty dream: to create world-class wines in an undiscovered wine region, the Chehalem Mountains of Oregon's Willamette Valley.

Since 1971, our relentless pursuit has been to craft exemplary wines that honor the soil, site, and nuance of our estate vineyards. As one of the founding wineries of Oregon and the first winery of the Chehalem Mountains, we are immensely proud to have contributed to shaping the Oregon wine narrative.

While a 50-year legacy is noteworthy, we are just getting started. We embrace the responsibility of steadfast stewardship for this abundant land and rally our community to champion equity and education. Cheers to 50 more.
