# LEGACY WINEMAKER AWARD

---

Honors an individual who has made a significant and lasting impact on the Willamette Valley wine industry through their dedication, innovation and contributions to elevating the region's winemaking community.

## 2024 LEGACY WINEMAKER GRACE EVENSTAD

### Domaine Serene Vineyards & Winery

Grace Evenstad is the co-founder and owner of Domaine Serene, a world-renowned winery located in Oregon's Willamette Valley. Ken and Grace Evenstad purchased a recently logged property in the Dundee Hills of Oregon in 1989 with a mission to produce world-class Pinot Noir and distribute it throughout the US.

Today, Domaine Serene produces award-winning wines from eight individual vineyard estates in the Dundee and Eola-Amity Hills, planted exclusively to Pinot Noir and Chardonnay, totaling 400 planted acres. Each estate offers a diversity of soils, clones, microclimates, slopes and elevations that add distinguishing complexity and elegance to the wines.

Abroad, in 2015 Ken and Grace acquired Château de la Créée, a respected wine estate located in Burgundy, France. Vineyards are owned in 18 climats throughout the Côte de Beaune. Ken passed away in 2020. In 2021, Grace Evenstad purchased 15 acres of vineyards in the Côte de Nuits, including prestigious Grand Cru vineyard blocks in Bonnes Mares and Clos de Vougeot.

Notably, of equal passion and significance to Grace's success in winemaking, has been her indelible impact and contributions for charities around the country such as ¡Salud!, providing accessible and affordable healthcare services for vineyard stewards and their families. For over fifteen years, Grace Evenstad has been a foundational supporter and participant at ¡Salud!

# CONDITIONS OF PURCHASE

---

**All items offered or sold through the ¡Salud! auction are subject to the following conditions:**

1. ¡Salud! The Oregon Pinot Noir Auction (herein “Seller”) reserves the right to refuse admission to or attendance at the Pinot Party and the Gala. Persons must be 21 or older to attend any event.
2. The Auctioneer is the agent for the Seller.
3. The Catalog, as amended by addenda or oral announcements during the sale and/or Big Board and Silent Auctions, constitutes the entire statement of the Seller with respect to the sale and the purchase of auction lots listed herein. By bidding, the bidder agrees to be bound by these Conditions of Purchase.
4. Seller does not warrant or represent, expressly denies responsibility for, and in no event shall be responsible or liable for the accuracy of the description of wines (or other items) offered, or the correctness of the catalog, including, but not limited to: the origin, rarity, age, genuineness, quantity, aging potential, present and future quality or condition. All statements by Seller are merely statements of opinion and are not to be relied upon by prospective purchasers as warranties or representations of fact. Prospective bidders, by so bidding, acknowledge that they have inspected the wines to their satisfaction and bid only as a result of their own inspection and option. All wine is sold on strictly an “AS IS” basis.
5. If any item as described changes beyond Seller’s control (e.g. restaurant closure), Seller will make every attempt to avoid “non-delivery” by arranging a comparable replacement for the item and no refund will be issued.
6. All ¡Salud! Cuvée wines are sold as a future delivered product and the delivery date is to be determined and coordinated by the respective winery representative.
7. Unless otherwise indicated, all auction packages will expire on November 9, 2025.
8. Auction package expiration dates are not flexible. To request an extension beyond the expiration date could place undue burden on the donor and may jeopardize future donations to the auction. Lost certificates will not be replaced.

9. Travel packages include only the components bulleted in the auction lot description. Any additional amenities requested by the Buyer are at the Buyer’s expense and responsibility to coordinate.

10. No representative or employee of Seller shall have the right to waive or modify any of the terms/conditions set forth herein, except that Seller’s authorized representative may do so by general announcement at the Auction. Out-of-state bidders are responsible for compliance with the laws of the destination locality.

## **BIDDING**

1. All bids for Big Board Auction wines are per case, and other bids on special live auction items are per lot as announced by the auctioneer, listed in the catalog, displayed at the event or amended in the addendum, unless otherwise announced. Seller may divide or combine any lot or lots at its sole discretion.
2. A suggested minimum bid price has been established on all lots. Seller reserves the right to bid on his behalf up to and including the minimum bid price.
3. Seller shall have the right to reject any bid at any time prior to the close of any auction (or fall of the hammer in a live auction). Bids will only be accepted from registered bidders. Seller may, at any time prior to the close of any auction (or fall of the hammer in a live auction), withdraw the lot from sale.
4. No live auction bid shall be valid unless acknowledged by the auctioneer.
5. Should a dispute arise between bidders in the Big Board, Silent or Live auctions, or should Seller doubt the validity of any bid, Seller shall have the absolute right to resolve the dispute, reoffer, re-sell or withdraw the lot in question.
6. At the fall of the hammer, the highest acknowledged bidder shall be deemed to have purchased the lot and therein assumes full risk and responsibility. Purchaser warrants that s/he will pay the full purchase price for all lots recorded to his/her paddle/bidder number immediately and in no event later than Friday, November 15, 2024. Seller’s sole responsibility for non-delivery shall be limited to refund of the purchase price.

---

# CONDITIONS OF PURCHASE

---

7. For other auctions (Big Board and Silent), bids are acknowledged when the bid is posted on online display. All bid closing times will be posted. At the close each auction, the highest acknowledged bidder shall be deemed to have purchased the lot and therein assumes full risk and responsibility and will pay the full purchase price for all lots recorded to his/her paddle/bidder number immediately and in no event later than Friday, November 15, 2024. Seller's sole responsibility for non-delivery shall be limited to refund of the purchase price.

8. Bids that are submitted to Seller in writing or otherwise left with Seller prior to the sale for execution at or below a specified price are entertained and executed by the Seller for the convenience of the bidders; but the Seller shall not be responsible for failing to execute such bids or for errors relating to the execution of such bids.

## PAYMENT

1. Full payment must be made by Friday, November 15, 2024 and in all cases prior to the removal of the wine or lot. All payment from the successful bidder shall be in cash, certified or personal check made payable to the Hillsboro Medical Center Foundation, or by VISA, Discover, MasterCard or American Express.

## PICK-UP

1. All accounts will be paid in full prior to lot release. A copy of the paid invoice must be presented before lots can be released. After payment has been made, the winning bidder may make arrangements to receive their Silent or Live auction lots.

2. Certificates from lots containing certificates will be mailed to winning bidders within three weeks of the auction date. The Seller assumes no responsibility for loss or replacement of certificates once the winning bidder has taken possession.

## ¡SALUD! CUVÉE PICK-UP

1. All lots of ¡Salud! Cuvée will be represented by a receipt of purchase. Winning bidders will receive said receipts at time of payment.

2. The ¡Salud! Cuvée pick-up/delivery will be arranged with successful bidders at a future date as coordinated by the respective winery. The vintner retains sole discretion as to when the wine will be bottled and delivered to the purchaser. Dates of expected release vary between wineries and winners will be notified as soon as their cases are available. The purchaser acquires only the right to take possession of the wine when notified by the winery and has no right of inspection pending notification.

3. Purchaser agrees to take delivery and make shipping or pick-up arrangements within 60 days of notification. The right to take possession shall not be assigned or otherwise transferred without first obtaining the written permission of the seller. Shipping arrangements and expenses are the responsibility of the purchaser. Out-of-state bidders are responsible for compliance with the laws of the destination locality.

## MEDIA COVERAGE

As a condition of and in consideration for participation in the auction, participant releases the Hillsboro Medical Center Foundation and ¡Salud! The Oregon Pinot Noir Auction from any liability connected with the reproduction, adaptation, display, publication and distribution, in any and all media, whether now known or yet to be developed, of any videos, photographs or other images taken at the Auction or any related events, participant's name, voice, likeness, city of residence, and any other information regarding his/her participation in the Auction.

# ¡SALUD!’S MISSION

---

**It’s the Willamette Valley way...  
We take care of each other.**

Bonded by this core community value, winemakers and physicians worked together to create ¡Salud! in 1991 to do better for vineyard stewards and their families.

More than 30 years later, ¡Salud! is a collaborative approach to healthcare supported by the wine industry, the Hillsboro Medical Center and you, the compassionate, conscious consumer.

Together, we can call out the gaps in the system and create solutions so that healthcare is a right rather than a luxury for the men and women who tend the vines and their families.

An elderly man with a weathered face, wearing a light-colored cowboy hat with a dark band and a dark, quilted jacket over a pink and blue striped shirt. He is standing in a vineyard with rows of grapevines in the background. He is leaning on a white plastic crate filled with dark grapes. The text is overlaid on the left side of the image.

# VITAL TO THE VINTAGE.

Behind every bottle of world-class Willamette Valley wine, there are vineyard stewards.

Guardians of the vineyards, nurturing the vines with passion and expertise.

Returning to the same vines year after year, their intimate knowledge of the land is critical.

Their contribution to the winemaking process is vital.

# ¡SALUD!’S MISSION

---

## HEALTHCARE HURDLES

*Why is it more challenging to get the care you need as a vineyard steward?*

### SHORT-TERM EMPLOYMENT

Working in agriculture means following the rhythms of nature. Work isn't always consistent or in one place. Short-term employment often does not provide health insurance coverage.

### UNDERINSURED

For the 45% who are insured, coverage is often limited and comes with a high deductible. Most can only afford the premiums to cover themselves, leaving their family uninsured.

### TIGHT FAMILY BUDGET

Agricultural work is paid hourly, and missing work to prioritize healthcare means a smaller paycheck, putting big pressure on the family budget. Many will live and work with health issues rather than seek help.

### LANGUAGE

Trying to make appointments, advocate for yourself, ask questions and navigate the healthcare system in a second (or third) language is daunting and challenging.

### ISOLATION

Affordable housing is scarce, and many are living further away from job sites and healthcare resources. Many do not have access to a car and public transportation is limited in rural areas.

---

# ¡SALUD!’S MISSION

---

## Healthcare is complicated, help us crack the code.

Funded entirely by donors like you, ¡Salud! strives to break down barriers to healthcare for vineyard stewards and their families.

Your support makes it possible for men and women to prioritize their health today, preventing major challenges that will impact them and their families in the future.

**¡SALUD!**  
*To Our Health*

---

# ¡SALUD!’S MISSION

---

## Mobile Health Wellness Clinics

¡Salud! brings no-cost preventative healthcare to the vineyards. Clinics are how we establish care and help assess what other resources are needed.

Healthcare from head to toe, we offer vision and dental clinics too.

Staffed with bilingual, bicultural team members and providers.

## Introducing ‘La Madrina’, ¡Salud!’s newest mobile medical unit

Funded 100% by donors, ‘La Madrina’ or ‘The Godmother’ is named for ¡Salud! Founder Nancy Ponzi. Four feet longer, this doctor’s office on wheels brings no-cost preventative services to the vineyards. In rain or sun, your support brings high-quality, respectful care to vineyard stewards and their families.

---

# ¡SALUD!’S MISSION

---

## Knocking Down Medical Debt

The fear of medical debt prevents many vineyard stewards from seeking care. ¡Salud! connects clients to affordable care from the start, equips clients to utilize any insurance coverage and navigates through the complicated financial assistance application process for those with major medical expense.

**\$2.8M+**

Medical debt reduced or eliminated with ¡Salud! since 1998 by negotiating, advocating and providing “grants for care.”

---

# ¡SALUD!’S MISSION

---

## **We have connections. More than just healthcare.**

Food insecurity, affordable housing, childcare resources and legal support connections.

Health is so much more than what’s happening in your body, your sense of well-being is connected to all of these things. ¡Salud! is knowledgeable about resources throughout the Willamette Valley and makes frequent referrals.

# RAISE YOUR PADDLE!

## FEATURED STORY - JESÚS TECALO MÉNDEZ, TRACTOR DRIVER

Jesús has lived and worked in the Willamette Valley for nearly 26 years. The men and women he works with today are some of the same people he's worked with since day one of his career. Together, they've become like family; looking out for each other at work and beyond.

In 2022, ¡Salud! nurse Jessica received a call from one of Jesús' coworkers as well as his supervisor that he needed help. Jesús had been in an accident and wasn't recovering well. Because of his unmanaged diabetes, Jesús could not sufficiently heal. He was hospitalized with a severe blood infection and spent time in the Intensive Care Unit.

The healing journey for Jesús was not straightforward. The effects of the injury and subsequent complications meant he was unable to work during his extended stay in the hospital. Jesús lost his health coverage and his medical bills began to stack up.

Over several months of advocacy work, ¡Salud! Services was able to get Jesús' medical bills, which totaled over \$115,000, reduced to \$0. After Jesús was discharged, ¡Salud! Services nurse Jessica stepped in to help every step of the way. Jessica helped Jesús make appointments, visited him at home and continued to advocate for him during his journey of recovery. That relationship continues today and Jesús knows he can call Jessica for issues big or small whether it's a refill of glucose test strips or navigating insurance coverage for his physical therapy appointments.

Since its inception, ¡Salud! Services—a clinical department of Hillsboro Medical Center, an OHSU Health partner—has relied on proceeds from the annual ¡Salud! The Oregon Pinot Noir Auction and the generosity of private donations to fund its life-changing services. ¡Salud! continues to stand out as a model of effective and far-reaching support but the work is not done.

By participating this evening, you can directly contribute to a cause that makes a profound difference in people's lives, like it did for Jesús. Your support provides vineyard stewards, agricultural workers and their families access to the healthcare they deserve, fostering a healthier, more resilient community.

HERE'S HOW YOUR CONTRIBUTION WILL MAKE A DIFFERENCE:

**\$25,000**

Provides a full spectrum of preventative healthcare services to 100 people for one year.

**\$10,000**

Funds one month of mobile wellness clinics with 8 clinics.

**\$5,000**

Facilitates access to preventative vision care and glasses or contacts for 35 people.

**\$1,000**

Enables primary care access for 20 people through grants to partnering clinics and providers.

In 2020, Flâneur Wines made the decision to forgo Pinot Noir production due to wildfires and this "opportunity" gave the winemaking team some freedom to get creative. Harnessing their flâneuring spirit and looking outside of the region to explore other beautiful examples of Pinot Noir, they came to explore a new terroir - German Pinot Noir.

Flâneur released two club exclusive Pinot Noirs from the 2020 vintage that were made possible by friend and second-generation winemaker, Fritz Becker of the iconic Weingut Friedrich Becker in the Pfalz region of Germany. Flâneur first sent Becker verticals of their estate wines to familiarize him with their winemaking style, after which Becker sent barrel samples as options for assembling final blends. Flâneur's winemaking team, along with the owner, Marty, crafted the blends, which Becker then assembled and bottled in Germany, resulting in 236 cases of Flânières and 270 cases of Spazieren Pinot Noir.

This exclusive auction package includes a 12-bottle case of German Spätburgunder (Pinot Noir) Collaboration and a "Reserve Tasting" for four at the restored Grain Elevator Tasting Room in Carlton, Oregon.

Since 2010, ROCO has produced some of its juiciest and fresh fruited Pinot Noirs from the low elevation jewel estate, located in the eastern portion of the Yamhill-Carlton AVA. Tucked just west of the Dundee Hills, Marsh Estate Vineyard starts at an elevation of 250 feet and ascends steeply to a peak elevation of 320 feet at the end of an exposed ridge line. This exposure ensures maximum sunlight and combined with soil derived from marine sandstone, gives the wine an intense real cherry and raspberry front with a black pepper finish. A collectible wine that is drinkable now, but can lay down for a number of years. This vertical of library magnums is a rare assembly! Plus, you and seven guests will receive a rare off-menu personal tour of Wits' End Vineyard, owned by the Soles family, which drapes down the southwestern slope of the Chehalem Mountain Range at 400 feet of elevation. After a beautiful stroll through the vineyards you and your guests will be treated to another rare access experience, a library wine tasting. What bottles will make an appearance? Win and find out!

# Nysa Vineyard Through the Years

Crafted from the original block of Pommard clone Pinot Noir planted in 1990, this six-magnum vertical showcases Nysa Vineyard Leda's Reserve Pinot Noir from 2009 to 2014, all signed by the owner and winemaker, Michael Mega. Nysa Vineyard sits at 600-720 feet elevation in the Dundee Hills of Oregon's northern Willamette Valley. The vineyard spans 40 acres of volcanic Jory soil with basalt bedrock 8 to 12 feet below the surface. The high percentage of clay combines with soil depth to hold moisture late into the season, permitting dry farming.

Nysa is aged in barrel for one year and in the bottle for two years before release to allow the subtle complexity of the site's terroir to express itself when served at your table. Patient cellaring for a minimum of six years from the vintage date is rewarded by a classic bloom of secondary flavors, balanced with delicate acidity, that only fine Pinot Noir achieves.

**Package notes:** Wines available for pick up from Nysa Vineyard after November 11, 2024, or shipping available for an additional fee.
