SPECIAL ACKNOWLEDGEMENTS

COMPAÑEROS DE ¡SALUD!

Outside of the auction events, this group of community minded individuals and businesses create fundraising opportunities for ¡Salud! throughout the year.

Argyle Winery

Argyle's Ojo Brilloso wine program proudly shines a spotlight on the extraordinary vineyard supervisors who play a vital role in the winemaking process. "Ojo brillante" translates to 'shiny eye' or loosely 'nice observation', a term said often in the vineyard. Now in its third year, Argyle challenges each vineyard supervisor to handpick a small, exquisite Pinot Noir block from their vineyards. The wines that result seek to capture the essence of their deep-rooted connection to the land and their unwavering pride in their craft through the creation of distinct wines. A portion of proceeds from wine sales support ¡Salud!, AHIVOY and The Roots Fund. Thank you, Argyle, for your support since 2001!

Lange Estate Winery

Offering a budget-conscious wine subscription, Lange's Flyline for a Cause delivers an ever-changing selection of sustainably-farmed wines with 5% of proceeds going to community organizations. ¡Salud! was the grateful recipient of this partnership in June and August. Thank you to the Lange family and team for your continued support, from 1999 to today, we're grateful to continue to call you a partner.

McMenamins, Inc.

McMenamins has supported ¡Salud! since 2006 and debuted WineFest in 2025 at Edgefield featuring 50+ spring and summer wines with a benefit silent auction. Thank you McMenamins for your longstanding support!

Willamette Valley Vineyards

"Run Willamette 5K" set amongst the vines at Willamette Valley Vineyards gives fitness fans a chance to marry beautiful scenery and wine with a portion of proceeds supporting ¡Salud!. Thank you, Willamette Valley Vineyards, for supporting ¡Salud! since 2001 with compelling auction packages, financial support and for hosting clinics at the winery to bring care to your vineyard stewards and their families.

Winderlea Vineyard & Winery

Supporters since 2009, proprietors Donna Morris and Bill Sweat have donated a portion of tasting fees to ¡Salud! since they first opened. Eager to greet guests with a glass and share the mission of ¡Salud!, Winderlea has been an incredible ambassador, advocate and supporter. Thank you, Donna and Bill, for always opening doors for ¡Salud! and elevating the capacity of the program with your gifts.

LOS HÉROES DE ¡SALUD! AWARD

2025 LOS HÉROES DE ¡SALUD! EUGENIA KEEGAN

Jackson Family Wines

Eugenia Keegan's 50+ year tenure in the wine business is a continuing story of decades of dedication to winegrowing, executive and community leadership positions in three important regions: Napa Valley, Sonoma County and Willamette Valley. As Senior Vice President of Winegrowing and Business Development for Jackson Family Wines, she works with the vineyard and winery teams across the global Jackson Family wine portfolio supporting and advising on all aspects of winegrowing. In conjunction with these activities, Eugenia is closely involved in business development for the future, support with trade and sales, as well as community and government affairs.

Born fifth generation to a family with deep roots in the Russian River Valley, Eugenia began her career with Joseph Swan Vineyards as a cellar and vineyard worker in 1976. She then headed to France, where she worked harvests in Burgundy, first at Pousse d'Or in Volnay and later at Etienne Sauzet in Puligny-Montrachet. Upon returning to California in 1982, she held a series of executive positions over the next 20 years at Hop Kiln Winery in the Russian River Valley, Bouchaine Vineyards in Carneros and Vine Cliff Winery in Oakville. During this time, she also established her own label, Keegan Cellars, specializing in single-vineyard Chardonnay and Pinot Noir from the Russian River Valley.

Presented in recognition of an outstanding business or individual for their innovative contribution to the ¡Salud! program.

Eugenia's travels took her in 2003 to Oregon, where she ventured into the world of wine distribution with the founding of Tsarina Wines, a small fine wine distributor based in Portland. In 2006, Tsarina merged with the Henry Wine Group of Oregon, and she continued as co-owner and president until 2009. While Eugenia was on sabbatical in 2010, France called again, this time Châteauneuf-du-Pape and Roussillon, where she worked three consecutive harvests and in 2012 purchased two small vineyards in Roussillon.

Upon returning to Oregon, Eugenia served as general manager of The Four Graces for two years before joining Jackson Family Wines, first as a consultant. She was named Gran Moraine winemaker in 2014 and then pivoted to a new role in 2016 as general manager, overseeing the winemaking programs for all JFW Oregon wineries.

She also plays an essential role in the Willamette Valley and larger Oregon wine community and has served as chair of the board of directors of the Oregon Wine Board, president of the Oregon Winegrowers Association, president of the Willamette Valley Wineries Association Board and co-chair of Willamette: The Pinot Noir Auction. She has also held positions on the Chemeketa Community College Wine Studies advisory committee and the LIVE board of directors. In 2021, she was the first woman named Wine Executive of the Year in the *Wine Enthusiast* Wine Star Awards, among the most prestigious global wine industry awards. Eugenia was named the 2024 *Oregon Wine Press* Person of the Year for her success in promoting Oregon, its wines and sustainable farming practices around the world.

Eugenia lives in the Willamette Valley with her longtime partner, David Adelsheim.

CONDITIONS OF PURCHASE

All items offered or sold through the ¡Salud! auction are subject to the following conditions:

1. ¡Salud! The Oregon Pinot Noir Auction (herein "Seller") reserves the right to refuse admission to or attendance at the Pinot Party and the Gala. Persons must be 21 or older to attend any event.
2. The Auctioneer is the agent for the Seller.
3. The Catalog, as amended by addenda or oral announcements during the sale and/or Big Board and Silent Auctions, constitutes the entire statement of the Seller with respect to the sale and the purchase of auction lots listed herein. By bidding, the bidder agrees to be bound by these Conditions of Purchase.
4. Seller does not warrant or represent, expressly denies responsibility for, and in no event shall be responsible or liable for the accuracy of the description of wines (or other items) offered, or the correctness of the catalog, including, but not limited to: the origin, rarity, age, genuineness, quantity, aging potential, present and future quality or condition. All statements by Seller are merely statements of opinion and are not to be relied upon by prospective purchasers as warranties or representations of fact. Prospective bidders, by so bidding, acknowledge that they have inspected the wines to their satisfaction and bid only as a result of their own inspection and option. All wine is sold on strictly an "AS IS" basis.
5. If any item as described changes beyond Seller's control (e.g. restaurant closure), Seller will make every attempt to avoid "non-delivery" by arranging a comparable replacement for the item and no refund will be issued.
6. All ¡Salud! Cuvée wines are sold as a future delivered product and the delivery date is to be determined and coordinated by the respective winery representative.
7. Unless otherwise indicated, all auction packages will expire on November 15, 2026.
8. Auction package expiration dates are not flexible. To request an extension beyond the expiration date could place undue burden on the donor and may jeopardize future donations to the auction. Lost certificates will not be replaced.

9. Travel packages include only the components bulleted in the auction lot description. Any additional amenities requested by the Buyer are at the Buyer's expense and responsibility to coordinate.

10. No representative or employee of Seller shall have the right to waive or modify any of the terms/conditions set forth herein, except that Seller's authorized representative may do so by general announcement at the Auction. Out-of-state bidders are responsible for compliance with the laws of the destination locality.

BIDDING

1. All bids for Big Board Auction wines are per case, and other bids on special live auction items are per lot as announced by the auctioneer, listed in the catalog, displayed at the event or amended in the addendum, unless otherwise announced. Seller may divide or combine any lot or lots at its sole discretion.
2. A suggested minimum bid price has been established on all lots. Seller reserves the right to bid on his behalf up to and including the minimum bid price.
3. Seller shall have the right to reject any bid at any time prior to the close of any auction (or fall of the hammer in a live auction). Bids will only be accepted from registered bidders. Seller may, at any time prior to the close of any auction (or fall of the hammer in a live auction), withdraw the lot from sale.
4. No live auction bid shall be valid unless acknowledged by the auctioneer.
5. Should a dispute arise between bidders in the Big Board, Silent or Live auctions, or should Seller doubt the validity of any bid, Seller shall have the absolute right to resolve the dispute, reoffer, re-sell or withdraw the lot in question.
6. At the fall of the hammer, the highest acknowledged bidder shall be deemed to have purchased the lot and therein assumes full risk and responsibility. Purchaser warrants that s/he will pay the full purchase price for all lots recorded to his/her paddle/bidder number immediately and in no event later than Friday, November 21, 2025. Seller's sole responsibility for non-delivery shall be limited to refund of the purchase price.

CONDITIONS OF PURCHASE

7. For other auctions (Big Board and Silent), bids are acknowledged when the bid is posted on online display. All bid closing times will be posted. At the close each auction, the highest acknowledged bidder shall be deemed to have purchased the lot and therein assumes full risk and responsibility and will pay the full purchase price for all lots recorded to his/her paddle/bidder number immediately and in no event later than Friday, November 21, 2025. Seller's sole responsibility for non-delivery shall be limited to refund of the purchase price.

8. Bids that are submitted to Seller in writing or otherwise left with Seller prior to the sale for execution at or below a specified price are entertained and executed by the Seller for the convenience of the bidders; but the Seller shall not be responsible for failing to execute such bids or for errors relating to the execution of such bids.

PAYMENT

1. Full payment must be made by Friday, November 21, 2025 and in all cases prior to the removal of the wine or lot. All payment from the successful bidder shall be in cash, certified or personal check made payable to the Hillsboro Medical Center Foundation, or by VISA, Discover, MasterCard or American Express.

PICK-UP

1. All accounts will be paid in full prior to lot release. A copy of the paid invoice must be presented before lots can be released. After payment has been made, the winning bidder may make arrangements to receive their Silent or Live auction lots.

2. Certificates from lots containing certificates will be mailed to winning bidders within three weeks of the auction date. The Seller assumes no responsibility for loss or replacement of certificates once the winning bidder has taken possession.

¡SALUD! CUVÉE PICK-UP

1. All lots of ¡Salud! Cuvée will be represented by a receipt of purchase. Winning bidders will receive said receipts at time of payment.

2. The ¡Salud! Cuvée pick-up/delivery will be arranged with successful bidders at a future date as coordinated by the respective winery. The vintner retains sole discretion as to when the wine will be bottled and delivered to the purchaser. Dates of expected release vary between wineries and winners will be notified as soon as their cases are available. The purchaser acquires only the right to take possession of the wine when notified by the winery and has no right of inspection pending notification.

3. Purchaser agrees to take delivery and make shipping or pick-up arrangements within 60 days of notification. The right to take possession shall not be assigned or otherwise transferred without first obtaining the written permission of the seller. Shipping arrangements and expenses are the responsibility of the purchaser. Out-of-state bidders are responsible for compliance with the laws of the destination locality.

¡SALUD!’S MISSION

St. Health
Medical Center

¡SALUD!
To Our Health

¡SALUD!’S MISSION

Accessible, affordable healthcare for vineyard stewards and their families

Bonded by a core community commitment to take care of one another, winemakers and physicians worked together to create ¡Salud! in 1991 to do better for vineyard stewards and their families.

More than 30 years later, ¡Salud! is a collaborative approach to healthcare supported by the wine industry, Hillsboro Medical Center and you, the compassionate, conscious consumer.

Together, we can call out the gaps in the system and create solutions so that healthcare is a right rather than a luxury for the men and women who tend the vines and their families.

VITAL TO THE VINTAGE.

Behind every bottle of world-class Willamette Valley wine, there are vineyard stewards.

Guardians of the vineyards, nurturing the vines with passion and expertise.

Returning to the same vines year after year, their intimate knowledge of the land is critical.

Their contribution to the winemaking process is vital.

¡SALUD!’S MISSION

HEALTHCARE HURDLES

Why is it more challenging to get the care you need as a vineyard steward?

SHORT-TERM EMPLOYMENT

Working in agriculture means following the rhythms of nature. Work isn't always consistent or in one place. Short-term employment often does not provide health insurance coverage.

UNDERINSURED

For the 45% who are insured, coverage is often limited and comes with a high deductible. Most can only afford the premiums to cover themselves, leaving their family uninsured.

TIGHT FAMILY BUDGET

Agricultural work is paid hourly, and missing work to prioritize healthcare means a smaller paycheck, putting big pressure on the family budget. Many will live and work with health issues rather than seek help.

LANGUAGE

Trying to make appointments, advocate for yourself, ask questions and navigate the healthcare system in a second (or third) language is daunting and challenging.

ISOLATION

Affordable housing is scarce, and many are living further away from job sites and healthcare resources. Many do not have access to a car and public transportation is limited in rural areas.

¡SALUD!’S MISSION

Compassionate healthcare delivered plus year-round personalized support

Funded entirely by donors like you, ¡Salud! strives to break down barriers to healthcare for vineyard stewards and their families.

Your support makes it possible for men and women to prioritize their health today, preventing major challenges that will impact them and their families in the future.

¡SALUD!
To Our Health

¡SALUD!’S MISSION

Mobile Health Wellness Clinics

¡Salud! brings no-cost preventative healthcare right to the vineyards. Clinics provide each patient with a dashboard of their basic health with height, weight, blood pressure, cholesterol, blood sugar and more.

Clinics are how we establish trust between the community and ¡Salud!’s bilingual, bicultural team and creates space to get to know each patient, their families and assess what other resources are needed.

¡Salud! creates personalized support plans for any outstanding needs not addressed during a mobile clinic.

We are red-tape cutters, barrier breakers and passionate advocates for the men and women we serve.

¡SALUD!’S MISSION

Knocking Down Medical Debt

The fear of medical debt prevents many vineyard stewards from seeking care. ¡Salud! connects clients to affordable care from the start, equips clients to utilize any insurance coverage and navigates through the complicated financial assistance application process for those with major medical expenses.

\$2.8M+

Medical debt reduced or eliminated with ¡Salud! since 1998 by negotiating, advocating and providing “grants for care.”

¡SALUD!’S MISSION

We have connections. More than just healthcare.

Food insecurity, affordable housing, childcare resources and legal support connections.

Health is so much more than what's happening in your body, your sense of well-being is connected to all of these things. ¡Salud! is knowledgeable about resources throughout the Willamette Valley and makes frequent referrals.

RAISE YOUR PADDLE!

FEATURED STORY

LUZ MARÍA CARBAJAL & JAQUELINE GARCÍA

For more than 20 years, Luz and her family have been part of the vineyard community and connected to ¡Salud! Services. Multiple family members have worked as vineyard stewards, contributing to the wines we all celebrate.

In recent years, Luz's daughter Jaqueline faced a serious health crisis. She began experiencing severe breathing problems—struggling to climb the stairs to her apartment and eventually being unable to work. Despite numerous tests, her condition worsened and resulted in a lengthy stay at the hospital including the ICU.

Jaqueline was eventually diagnosed with a rare immune disease, requiring specialized care. Navigating the healthcare system in this situation would be overwhelming for anyone but for Jaqueline, the challenges were compounded by the language barriers and often lacking an interpreter during these important medical visits.

This is where ¡Salud! stepped in. ¡Salud! Services team member, Claudia, guided Jaqueline and Luz through each step of the healthcare system, ensuring that Jaqueline would receive the care she desperately needed. Beyond medical support, ¡Salud! connected the family to resources for groceries, rent and daily essentials during this difficult time. Through it all, this family has shown remarkable strength and resilience, embodying the very spirit of the community they represent.

Since its inception, ¡Salud! Services—a clinical department of Hillsboro Medical Center, an OHSU Health partner—has relied on proceeds from the annual ¡Salud! Oregon Pinot Noir Auction and the generosity of private donations to fund its life-changing services. ¡Salud! continues to stand out as a model of effective and far-reaching support but the work is not done.

By participating this evening, you can directly contribute to a cause that makes a profound difference in people's lives, like it did for Luz and Jackie. Your support ensures that vineyard stewards, agricultural workers and their families have access to the healthcare they deserve, fostering a healthier, more resilient community.

HERE'S HOW YOUR CONTRIBUTION WILL MAKE A DIFFERENCE:

\$25,000

Provides a full spectrum of preventative healthcare services for one year to 100 people.

\$10,000

Funds two preventative vineyard healthcare clinics a week for one month.

\$5,000

Facilitates access to preventative vision care and glasses or contacts for 35 people.

\$1,000

Funds grants to partnering clinics and providers enabling primary care access for 20 people.

\$500

Covers the cost of routine dental cleaning for 10 people.

\$100

Provides two hours of personalized healthcare navigation support for one person.

¡Salud! is supported 100% by donors like you. Please give what you can!
