SPECIAL ACKNOWLEDGEMENTS

COMPAÑEROS DE ¡SALUD!

Outside of the auction events, this group of community minded individuals and businesses create fundraising opportunities for ¡Salud! throughout the year.

ARGYLE WINERY

Argyle's Ojo Brilloso wine program proudly shines a spotlight on the extraordinary Vineyard Supervisors who play a vital role in the winemaking process. "Ojo brilloso" translates to 'shiny eye' or loosely 'nice observation', a term said often in the vineyard. Now in its fifth year, Argyle challenges each Vineyard Supervisor to handpick a small, exquisite Pinot Noir block from their vineyards. The wines made from each selection seek to capture the essence of their deep-rooted connection to the land and their unwavering pride in their craft. A portion of proceeds from wine sales support ¡Salud!, AHIVOY, and The Roots Fund. Thank you, Argyle, for your support since 2001!

MCMENAMINS, INC.

McMenamins has supported ¡Salud! since 2006 and debuted WineFest in 2025 at Edgefield featuring 50+ spring and summer wines with a benefit silent auction. Thank you, McMenamins, for your longstanding support!

WILLAMETTE VALLEY VINEYARDS

"Run Willamette 5K" set amongst the vines at Willamette Valley Vineyards gives fitness fans a chance to marry beautiful scenery with wine with a portion of proceeds supporting ¡Salud!. Thank you, Willamette Valley Vineyards, for supporting ¡Salud! since 2001 with compelling auction packages, financial support and for hosting clinics at the winery to bring care to your vineyard stewards and their families.

WINDERLEA

Supporters since 2009, Winderlea has donated a portion of tasting fees to ¡Salud! since they first opened. Eager to greet guests with a glass and share the mission of ¡Salud!, Winderlea has been an incredible ambassador, advocate and supporter. Thank you, Winderlea, for always opening doors for ¡Salud! and elevating the capacity of the program with your gifts.

WINE + ART DUNDEE HILLS TRAIL

The Wine+Art Dundee Hills Trail paired acclaimed wineries with local artists for a self-guided celebration of creativity in the heart of Oregon wine country. Guests enjoyed art on display while tasting at participating wineries throughout the Dundee Hills, with ten percent of sales benefiting ¡Salud!. Thank you to the wineries, artists, and attendees whose support helped advance compassionate, accessible healthcare for vineyard stewards and their families.

TONIGHT'S SPEAKERS

MASTERS OF CEREMONIES

Clare Carver
Artist and Farmer

In 2006, Clare left Napa to co-found big table farm alongside her husband, Brian. Today, she splits her time between helping Brian run the winery, managing their 70 acres, and working as an oil painter. Painting is her ultimate passion, but she's just as happy tending to the farm's lively crew of sheep, goats, cattle, pigs, chickens, draft horses, and honey bees.

Eugenia Keegan
SVP Winegrowing and Business Development

Eugenia Keegan's 50+ year career in the wine industry reflects a lifetime of dedication to winegrowing, executive leadership, and community engagement across Napa Valley, Sonoma County, and Oregon's Willamette Valley. As Senior Vice President of Winegrowing and Business Development for Jackson Family Wines, she advises vineyard and winery teams globally, while also supporting trade, sales, and government affairs.

A fifth-generation descendant of a Russian River Valley farming family, Eugenia began her career in 1976 at Joseph Swan Vineyards. She later worked harvests in Burgundy, France, before returning to California in 1982. Over two decades, she held executive roles at Hop Kiln Winery, Bouchaine Vineyards, and Vine Cliff Winery, and launched her own label, Keegan Cellars, focused on single-vineyard Chardonnay and Pinot Noir.

In 2003, Eugenia moved to Oregon and founded Tsarina Wines, a boutique distributor that later merged with the Henry Wine Group. After a sabbatical in France, where she worked harvests and purchased vineyards in Roussillon, she returned to Oregon in 2013 and joined Jackson Family Wines. She became winemaker at Gran Moraine in 2014 and general manager of JFW Oregon wineries in 2016.

Eugenia has served in leadership roles with the Oregon Wine Board, Oregon Winegrowers Association, and Willamette Valley Wineries Association. She was named *Wine Enthusiast's* 2021 Wine Executive of the Year and *2024 Oregon Wine Press* Person of the Year. She lives in the Willamette Valley with her longtime partner, David Adelsheim.

LOS HÉROES DE ¡SALUD! AWARD

Presented in recognition of an outstanding business or individual for their innovative contribution to the ¡Salud! program.

Pat & Jackie Dukes
Dukes Family Vineyards

Pat and Jackie Dukes have spent a lifetime building things together. From high school classmates to college sweethearts, from successful careers in accounting and real estate to the founders of Dukes Family Vineyards, they have approached every chapter with curiosity, determination, and a willingness to embrace new opportunities. What began as a dream of opening a restaurant ultimately led them to Oregon wine, where they built a vineyard, a welcoming gathering place, and a legacy of generosity that continues to enrich the community. As they celebrate their 20th vintage, Pat and Jackie continue to demonstrate the values that define the Oregon wine community: hard work, generosity, vision, and a deep belief in giving back.

Pat and Jackie Dukes have been among ¡Salud!'s most dedicated champions for more than a decade, supporting the program through leadership, philanthropy, advocacy, and personal engagement. Their connection to ¡Salud! dates back to at least 2011, and what began as an introduction quickly grew into a deep and enduring commitment. In 2013, Dukes Family Vineyards became a participating Vintner Circle winery, and they have remained a member through today, 13 years later.

Pat expanded his involvement even further when he joined the ¡Salud! Steering Committee in 2015. He later served as auction co-chair in 2017 and 2018, helping guide the program through important years of growth and impact. Throughout his service, he brought thoughtful leadership, steadfast commitment, and a deep belief in the mission of caring for the people who make Oregon wine possible.

Together, Pat and Jackie have supported ¡Salud! through virtually every avenue available. They have been winery partners, sponsors, auction buyers, donors, volunteers, ambassadors, advocates, and tireless champions of the program.

Their support has extended far beyond generosity, encompassing leadership, relationship-building, and an unwavering commitment to the success of ¡Salud! and the community it serves.

Pat and Jackie have never sought the spotlight. Instead, they have spent years lifting others up, investing in their community, and championing a mission they believe in wholeheartedly. While they may be most comfortable behind the scenes, their impact is impossible to overlook. The Oregon wine community, ¡Salud!, and the families whose lives have been touched by this work are stronger because of their generosity, leadership, and example.

CONDITIONS OF PURCHASE

All items offered or sold through the ¡Salud! auction are subject to the following conditions:

1. ¡Salud! The Oregon Pinot Noir Auction (herein "Seller") reserves the right to refuse admission to or attendance at the Pinot Party and the Gala. Persons must be 21 or older to attend any event.

2. The Auctioneer is the agent for the Seller.

3. The Catalog, as amended by addenda or oral announcements during the sale and/or Big Board and Silent Auctions, constitutes the entire statement of the Seller with respect to the sale and the purchase of auction lots listed herein. By bidding, the bidder agrees to be bound by these Conditions of Purchase.

4. Seller does not warrant or represent, expressly denies responsibility for, and in no event shall be responsible or liable for the accuracy of the description of wines (or other items) offered, or the correctness of the catalog, including, but not limited to: the origin, rarity, age, genuineness, quantity, aging potential, present and future quality or condition. All statements by Seller are merely statements of opinion and are not to be relied upon by prospective purchasers as warranties or representations of fact. Prospective bidders, by so bidding, acknowledge that they have inspected the wines to their satisfaction and bid only as a result of their own inspection and option. All wine is sold on strictly an "AS IS" basis.

5. If any item as described changes beyond Seller's control (e.g. restaurant closure), Seller will make every attempt to avoid "non-delivery" by arranging a comparable replacement for the item and no refund will be issued.

6. All ¡Salud! Cuvée wines are sold as a future delivered product and the delivery date is to be determined and coordinated by the respective winery representative.

7. Unless otherwise indicated, all auction packages will expire on November 14, 2027.

8. Auction package expiration dates are not flexible. To request an extension beyond the expiration date could place undue burden on the donor and may jeopardize future donations to the auction. Lost certificates will not be replaced.

9. Travel packages include only the components bulleted in the auction lot description. Any additional amenities requested by the Buyer are at the Buyer's expense and responsibility to coordinate.

10. No representative or employee of Seller shall have the right to waive or modify any of the terms/conditions set forth herein, except that Seller's authorized representative may do so by general announcement at the Auction. Out-of-state bidders are responsible for compliance with the laws of the destination locality.

BIDDING

1. All bids for Big Board Auction wines are per case, and other bids on special live auction items are per lot as announced by the auctioneer, listed in the catalog, displayed at the event or amended in the addendum, unless otherwise announced. Seller may divide or combine any lot or lots at its sole discretion.

2. A suggested minimum bid price has been established on all lots. Seller reserves the right to bid on his behalf up to and including the minimum bid price.

3. Seller shall have the right to reject any bid at any time prior to the close of any auction (or fall of the hammer in a live auction). Bids will only be accepted from registered bidders. Seller may, at any time prior to the close of any auction (or fall of the hammer in a live auction), withdraw the lot from sale.

4. No live auction bid shall be valid unless acknowledged by the auctioneer.

5. Should a dispute arise between bidders in the Big Board, Silent or Live auctions, or should Seller doubt the validity of any bid, Seller shall have the absolute right to resolve the dispute, reoffer, re-sell or withdraw the lot in question.

6. At the fall of the hammer, the highest acknowledged bidder shall be deemed to have purchased the lot and therein assumes full risk and responsibility. Purchaser warrants that s/he will pay the full purchase price for all lots recorded to his/her paddle/bidder number immediately and in no event later than Friday, November 20, 2026. Seller's sole responsibility for non-delivery shall be limited to refund of the purchase price.

CONDITIONS OF PURCHASE

7. For other auctions (Big Board and Silent), bids are acknowledged when the bid is posted on online display. All bid closing times will be posted. At the close each auction, the highest acknowledged bidder shall be deemed to have purchased the lot and therein assumes full risk and responsibility and will pay the full purchase price for all lots recorded to his/her paddle/bidder number immediately and in no event later than Friday, November 20, 2026. Seller's sole responsibility for non-delivery shall be limited to refund of the purchase price.

8. Bids that are submitted to Seller in writing or otherwise left with Seller prior to the sale for execution at or below a specified price are entertained and executed by the Seller for the convenience of the bidders; but the Seller shall not be responsible for failing to execute such bids or for errors relating to the execution of such bids.

PAYMENT

1. Full payment must be made by Friday, November 20, 2026, and in all cases prior to the removal of the wine or lot. All payment from the successful bidder shall be in cash, certified or personal check made payable to the Hillsboro Medical Center Foundation, or by VISA, Discover, MasterCard or American Express.

PICK-UP

1. All accounts will be paid in full prior to lot release. A copy of the paid invoice must be presented before lots can be released. After payment has been made, the winning bidder may make arrangements to receive their Silent or Live
auction lots.

2. Certificates from lots containing certificates will be mailed to winning bidders within three weeks of the auction date. The Seller assumes no responsibility for loss or replacement of certificates once the winning bidder has taken possession.

¡SALUD! CUVÉE PICK-UP

1. All lots of ¡Salud! Cuvée will be represented by a receipt of purchase. Winning bidders will receive said receipts at time of payment.

2. The ¡Salud! Cuvée pick-up/delivery will be arranged with successful bidders at a future date as coordinated by the respective winery. The vintner retains sole discretion as to when the wine will be bottled and delivered to the purchaser. Dates of expected release vary between wineries and winners will be notified as soon as their cases are available. The purchaser acquires only the right to take possession of the wine when notified by the winery and has no right of inspection pending notification.

3. Purchaser agrees to take delivery and make shipping or pick-up arrangements within 60 days of notification. The right to take possession shall not be assigned or otherwise transferred without first obtaining the written permission of the seller. Shipping arrangements and expenses are the responsibility of the purchaser. Out-of-state bidders are responsible for compliance with the laws of the destination locality.

MEDIA COVERAGE

The Oregon Pinot Noir Auction from any liability connected with the reproduction, adaptation, display, publication and distribution, in any and all media, whether now known or yet to be developed, of any videos, photographs or other images taken at the Auction or any related events, participant's name, voice, likeness, city of residence and any other information regarding his/her participation in the Auction.

¡Salud!'s Mission

¡SALUD!'S MISSION

Healthcare should be within reach.

Not just for those who can take time off, speak the language, or afford an unexpected medical bill.

¡Salud! works alongside vineyard stewards and their families to remove those barriers, bringing care directly to the vineyard and helping people navigate the challenges that follow them home.

The vineyard asks a lot.

Long days on your feet.

Hands in the dirt.

Work that doesn't stop when the weather turns.

Vineyard stewards bring skill and experience to every season, knowing when to act, when to wait, and how to care for the vines through it all.

Their hands do the work. Their expertise shapes the vintage.

¡SALUD!'S MISSION

Healthcare Hurdles

Why is it more challenging to get the care you need as a vineyard steward?

SHORT-TERM EMPLOYMENT

Working in agriculture means following the rhythms of nature. Work isn't always consistent or in one place. Short-term employment often does not provide health insurance coverage.

UNDERINSURED

For the 45% who are insured, coverage is often limited and comes with a high deductible. Most can only afford the premiums to cover themselves, leaving their family uninsured.

TIGHT FAMILY BUDGET

Agricultural work is paid hourly, and missing work to prioritize healthcare means a smaller paycheck, putting big pressure on the family budget. Many will live and work with health issues rather than seek help.

LANGUAGE

Trying to make appointments, advocate for yourself, ask questions, and navigate the healthcare system in a second (or third) language is daunting and challenging.

ISOLATION

Affordable housing is scarce, and many are living further away from job sites and healthcare resources. Many do not have access to a car and public transportation is limited in rural areas.

¡SALUD!'S MISSION

Mobile Health Wellness Clinics

¡Salud! brings no-cost preventive healthcare directly to the vineyards, giving patients a clear picture of their health through screenings for blood pressure, cholesterol, blood sugar, weight, and more.

But the clinic is just the beginning. ¡Salud!'s bilingual, bicultural team gets to know each patient and their family, identifies needs that go beyond the clinic, and helps them take the next step.

Afterward, ¡Salud! stays involved, helping patients find care, navigate insurance and medical bills, and connect with resources for the challenges that affect their health.

We don't just identify the problem. We help people figure out what to do next.

A screening is only useful if it leads to care.

A blood pressure check can uncover a problem. Getting that patient to the right provider, helping them afford the visit, and staying with them through the paperwork is what turns a screening into healthcare.

¡Salud! provides that follow-through year-round, helping vineyard stewards and their families navigate the medical and practical challenges that affect their health.

¡SALUD!'S MISSION

Knocking down medical debt.

The fear of medical debt prevents many vineyard stewards from seeking care. ¡Salud! connects clients to affordable care from the start, equips clients to utilize any insurance coverage, and navigates through the complicated financial assistance application process for those with major medical expenses.

$2.8M+

Medical debt reduced or eliminated with ¡Salud! since 1998 by negotiating, advocating and providing "grants for care."

¡SALUD!'S MISSION

Sometimes the solution isn't a doctor.

It might be a food pantry.
Affordable housing.
Childcare.
Legal support.
¡Salud! knows the resources across the Willamette Valley and connects patients and their families to the people and organizations that can help.

Because health is shaped by what happens outside the exam room, too.

Lot #1

TREASURES OF THE 45TH PARALLEL

Donated by Dr. Rubin Chandran & Zizi Dimopoulos

From Burgundy's storied vineyards to Oregon's Willamette Valley, this extraordinary collection explores the magic of Pinot Noir along the 45th parallel. Sourced from the impeccably maintained cellar of a longtime ¡Salud! supporter, every bottle boasts exceptional provenance and careful storage.

The Burgundy lineup features some of the region's most eminent names, including Jacques-Frédéric Mugnier, Domaine Méo-Camuzet, and Louis Jadot, with wines from iconic appellations such as Gevrey-Chambertin, Vosne-Romanée, Chambolle-Musigny, Volnay, and Nuits-Saint-Georges Premier Cru. These bottles offer a rare opportunity to experience both mature expressions and age-worthy treasures from some of the world's most revered Pinot Noir terroirs.

Complementing them is an extraordinary library of rare ¡Salud! Cuvées, a uniquely Oregon tradition. Produced in very limited quantities to support vineyard steward healthcare, these wines were never available to the public and historically could only be acquired through full-case purchases. Today, many are impossible to find on the secondary market.

Whether you're a seasoned collector seeking provenance and pedigree or an enthusiast looking to explore Pinot Noir's greatest expressions, this lot offers a remarkable side-by-side journey through two world-class wine regions linked by latitude, character, and craftsmanship.

Hosted by JGP Wealth Management, this exclusive rooftop dinner brings together some of the most admired names in Oregon’s culinary and wine communities for a gathering that feels more like a private celebration among friends than a formal event.

James Beard Award-winning Chef Timothy Wastell will create an exclusive multi-course menu showcasing the finest flavors of the Pacific Northwest. Joining him are Brian Marcy and Clare Carver of big table farm, whose acclaimed wines have earned a devoted following throughout Oregon and beyond.

What makes this experience especially unique is the long friendship between Clare and Tim, who have worked together for nearly 15 years. Their easy camaraderie creates the kind of atmosphere that can’t be manufactured, where great stories, laughter, and genuine hospitality flow as naturally as the wine.

The food will be exceptional. The wines will be extraordinary. The views will be spectacular. But what truly sets this experience apart is a seat at the table with people you’d want to spend an evening with even if there weren’t world-class food and wine involved.

THIS PACKAGE FOR 8 PEOPLE INCLUDES:

· Rooftop, multi-course dinner at 11W Building featuring Chef Timothy Wastell
· Wines from big table farm poured and presented by Brian Marcy and Clare Carver
· Complimentary parking at 11W Building

Lot #4

Donated by Ambar Estate, Carman Ranch, Élevée Winegrowers, L'Angolo Estate, Lumpy's Tavern, NW Wine Shuttle, and View & Vine

FIRST, FIVE COURSES. THEN, LUMPY'S.

What if your wine-country weekend came with a chef who just made the world's best list?

Spend two nights in McMinnville with six friends, three king en-suite bedrooms, and an itinerary that moves effortlessly between the polished, the personal, and the gloriously unfussy. Your home base is The Park House, where mornings begin with a continental breakfast from Chef Heidi Whitney-Schile of Ambar Estate, and evenings wind down around the grill with premium Carman Ranch ingredients, recipes, and cooking guidance from Heidi herself.

And Heidi has plenty to celebrate. *Wine Enthusiast* recently named Ambar Estate one of its Top Winery Restaurants in the World, the only Oregon winery on the 2026 list and one of just 13 in the United States. You'll get to experience exactly why firsthand with a five-course lunch at Ambar, paired with estate wines and followed by a vineyard walk with winemaker Bryan Weil. Explore the property, hear about the farming and terroir, and see the place behind the wines and the restaurant that earned international attention.

Then let someone else drive. NW Wine Shuttle takes your group to Élevée Winegrowers for a tasting with Tom Fitzpatrick, proprietor and winegrower, followed by a tasting at L'Angolo Estate. With NW Wine Shuttle handling the transportation, you'll have plenty of time to linger, talk, and take in the valley between stops.

Back at The Park House, the pace shifts. Fire up the grill, pour another glass and put Heidi's recipes to work with Carman Ranch ingredients. It's the rare wine-country dinner where the chef who cooked your five-course lunch also helped you figure out what to cook that night.

FIRST, FIVE COURSES. THEN, LUMPY'S.

Lot #8

UNDER THE TUSCAN SUN

Donated by Lingua Franca, Ruffino, Constellation Brands and Savor & Cellar

Seven nights. Four guests. Two of Tuscany's most iconic wine destinations. This extraordinary journey combines private wine experiences, exceptional dining and the pleasures of lingering over a meal, a glass of wine, or a long Tuscan afternoon.

CASA RUFFINO

Your journey begins at Wine Relais Ruffino, an intimate eight-room boutique hotel housed in a restored Renaissance villa at Casa Ruffino, just outside Florence in the Chianti hills. Surrounded by vineyards, olive groves, Italian gardens, and centuries-old trees, the villa offers an intimate base for exploring Tuscany. The Poggio Casciano Estate is also where some of Ruffino's most prestigious wines are made, including Modus Primo and Alauda.

Spend three nights enjoying daily breakfast, time by the infinity pool, and an elevated cellar dinner at Tre Rane Restaurant, the culinary heart of Poggio Casciano. Seasonal Tuscan cuisine is paired with Ruffino wines in the atmospheric estate cellar.

Then descend into Casa Ruffino's subterranean barrique tunnel, a vaulted stone passage lined with aging barrels. Cool, dark, and fragrant with oak, it provides the setting for a private barrel tasting of Ruffino's renowned Super Tuscans, sampled directly from their aging environment.

CORTONA

From Ruffino, private transportation takes you south to the hilltop town of Cortona, where Savor & Cellar will curate four nights and five days of food, wine, and local experiences. With a dedicated local host and a private apartment as your home base, you'll have the freedom to experience Cortona at your own pace.

Start your mornings like a local, choosing from a selection of cafés for a leisurely breakfast. Wander Cortona's stone streets to Enoteca Molesini, a beloved wine shop with more than 1,200 carefully selected labels, for a private tasting. Just across the piazza, settle in for lunch at La Dispensa del Preludio, known for fresh, seasonal cooking and a relaxed atmosphere.

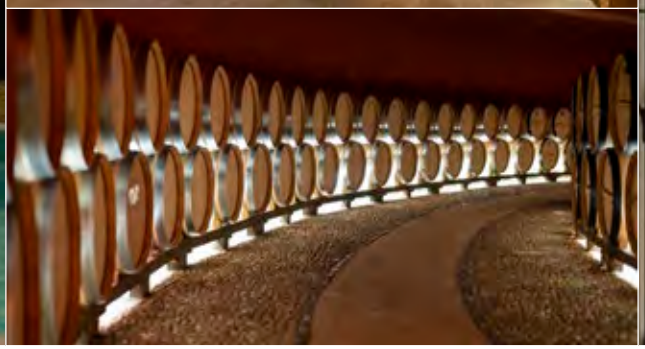

Your evenings offer two distinctly different ways to experience Cortona. One night, a private chef comes to your apartment to prepare a multi-course dinner, pairing each course with local wines. Another evening, head out for "Wine, Dine, Shine," where dinner and Italian wine at a local restaurant are paired with an unexpected indulgence: choosing a handcrafted piece from DelBrenna Jewelry to borrow and wear for the night. Think of it as a jewelry tasting, Italian style.

UNDER THE TUSCAN SUN

Los Héroes de ¡Salud! Award:

SAVED FOR THIS MOMENT: CELEBRATING PAT & JACKIE DUKES

Some wines are collected. Some wines are cherished. A select few are saved for moments that matter.

This is one of those moments.

In honor of Pat and Jackie Dukes, recipients of the 2026 Los Héroes de ¡Salud! Award, Pat and Jackie are opening a selection of extraordinary wines from their personal cellar, including legendary Champagne, Grand Cru Burgundy, First Growth Bordeaux, and the legendary Château d'Yquem. Paired with an intimate dinner by acclaimed chef Matthew Lightner and set among the vineyards of Dukes Family Vineyards, this is a rare opportunity to experience some of the world's most sought-after wines while celebrating two of ¡Salud!'s most devoted champions.

Hosted amid the rolling hills of the Eola-Amity Hills AVA, the evening begins with Golden Osetra caviar paired with iconic Champagnes such as Louis Roederer Cristal and Pol Roger Sir Winston Churchill. Personally selected and opened exclusively for this gathering, these remarkable bottles set the tone for an evening defined by generosity, gratitude, and exceptional hospitality.

Guests will then enjoy a five-course dinner created by Matthew Lightner, one of the Pacific Northwest's most acclaimed culinary talents. Renowned for his ingredient-driven cuisine and deep relationships with farmers, foragers, and producers, Lightner will craft a menu showcasing the season's finest ingredients, thoughtfully paired with an extraordinary progression of wines from some of the world's most revered producers and regions.

Throughout the evening, guests will enjoy an extraordinary lineup featuring Dukes Family Vineyards alongside iconic selections from Bouchard Père & Fils Montrachet, Domaine Comte Georges de Vogüé Musigny, Château Haut-Brion, and Château d'Yquem.

For more than a decade, Pat and Jackie have been among ¡Salud!'s most devoted champions. Through leadership, service, and quiet dedication, they have helped advance the mission, strengthen community, and inspire others to join in support of Oregon's vineyard stewards. Their impact can be measured not only in what they have done, but in the relationships they have nurtured and the example they have set for others.

Experience that philosophy firsthand with an intimate, private tour of the vineyards and winery led by owner Craig Williams and winemaker Jamie Lewis. Williams brings nearly 50 years of winegrowing experience, including 32 years at Joseph Phelps Vineyards, where he helped shape some of California's most illustrious wines.
